Mrs. May Believille Brown, of Salina, president of the Kansas federation of women's clubs, came to Topeka yesterday to attend the meeting of the board of managers of the state fair. Mrs. Brown has been appointed superintendent of the woman's department of the fair which will be held at Topeka as usual in September. The woman's department under Mrs. Brown's management under Mrs. Brown's management promises to be an uncommonly good feature this year and a club woman's day which is being atranged for Wednesday of fair week will undoubtedly bring many visitors to Topeka and is one of the most interesting of approaching club events in Kansas. On this occasion a state president's council, to which all the presidents of the district and local federations and the individual clubs will be invited, will be held, probably in the senate chamber at the state house, in the morning and in the afternoon the delegation will visit the fair. A state president's council is an innovation in Kansas clubdom and will no doubt furnish an auspicious beginning for Mrs. Brown's official career as president of the federation, for although she was elected in May there is never much doing in club circles during the summer and her first executive board meeting will be held in Topeka on club woman's day during the fair. Each department of the woman's exhibit at the fair will have a superintendent, assistant superintendent and judge, appointed by Mrs. Brown, who will be amnounced later. Mrs. Clement Smith, president of the Topeka federation, will co-operate with Mrs. Brown in the work of making the woman's day at the fair a marked success. There are 39 club presidents in Topeka slope to atwill be amounced inter. Is the joy of the household, for without it no happiness can be complete. How sweet the picture of mother and babe, angels smile at and commend the thoughts and aspirations of the mother bending over the cradle. The ordeal through which the expectant mother must pass, how-

ever, is so full of danger and suffering that she looks forward to the hour when she shall feel the exquisite thrill of motherhood with indescribable dread and fear. Every woman should know that the danger, pain and horror of child-birth can be entirely avoided by the use of Mother's Friend.

How to Answer Advertisements.

Advertisements signed in care of State

State Journal," or "Address Owner, care
State Journal," snould be inswered in
writing only. Write your answer and
mail it care State Journal or leave it at

clerks in the State Journal office to give
you the name of the advertiser; they can
not give this information.

want advertisements over the telephone
nor does it make charge accounts of
them. The most satisfactory plan is to
bring your want advertisement to the
State Journal office. If you can not do
this, call the Western Union telegraph
office, either phone 51, and tell them that
you have an advertisement for the State
Journal. They will send an A. D. T.
